[illegible] les 2 portes [illegible] Troyes 1477

L' Alliance française de Cracovie a scrupuleusement évité jusqu' ici en raison de la Situation économique, de faire appel à la générosité des sociétés industrielles et des banques françaises. Elle se voit cependant obligée de solliciter une aide pour couvrir les frais d'amé nagement de ces locaux. En effet les subventions allouées par le gouvernement français à nos sociétés cracoviennes ont été réduites d'un tiers; elles ne suffisent même plus à entretenir au niveau habituel les cours de lanque et de littérature française organisés à Cracovie et dans d'autres villes de Petite Pologne et de la Silésie de Cieszyn.

Si vous voulez bien envisager favorablement la demande que je me permets de vous adresser au nom des Sociétés polono-françaises de Cracovie, je vous serais reconnaissant de vouloir bien verser la somme que vous pourrez nous allouer au compte de l' abbé David à la Banque franco Polonaise de Katowice.

Veuillez agréer, Monsieur l'assurance de mes sentiments dévoués.
