A 1840

1 Jan. 1844.

Handwritten text in Chinese characters, appearing as bleed-through from the reverse side of the page. The characters are arranged in approximately 10 vertical columns, starting from the right side of the page and moving towards the left. The ink is light and the handwriting is somewhat cursive and difficult to decipher.

1900-1901

61

Handwritten Japanese characters, possibly a signature or date, located in the lower-left quadrant of the page.
