

Raumer.

To Prof<sup>r</sup> Von Raumer

My dear Sir

The objects most worthy of your  
attention at Hartford - are

The Asylum for the Deaf & Blind

The Retreat for the Insane

Washington College

The Wadsworth Athenaeum

The old Charter

The old Charter tree

Monte Video and

The fine hills around Hartford

I have filled cards of introduction

to several of these places and

remain with cordial good

wishes for yourself & for

my dear Sir most truly

yours
