

Dear Sir,

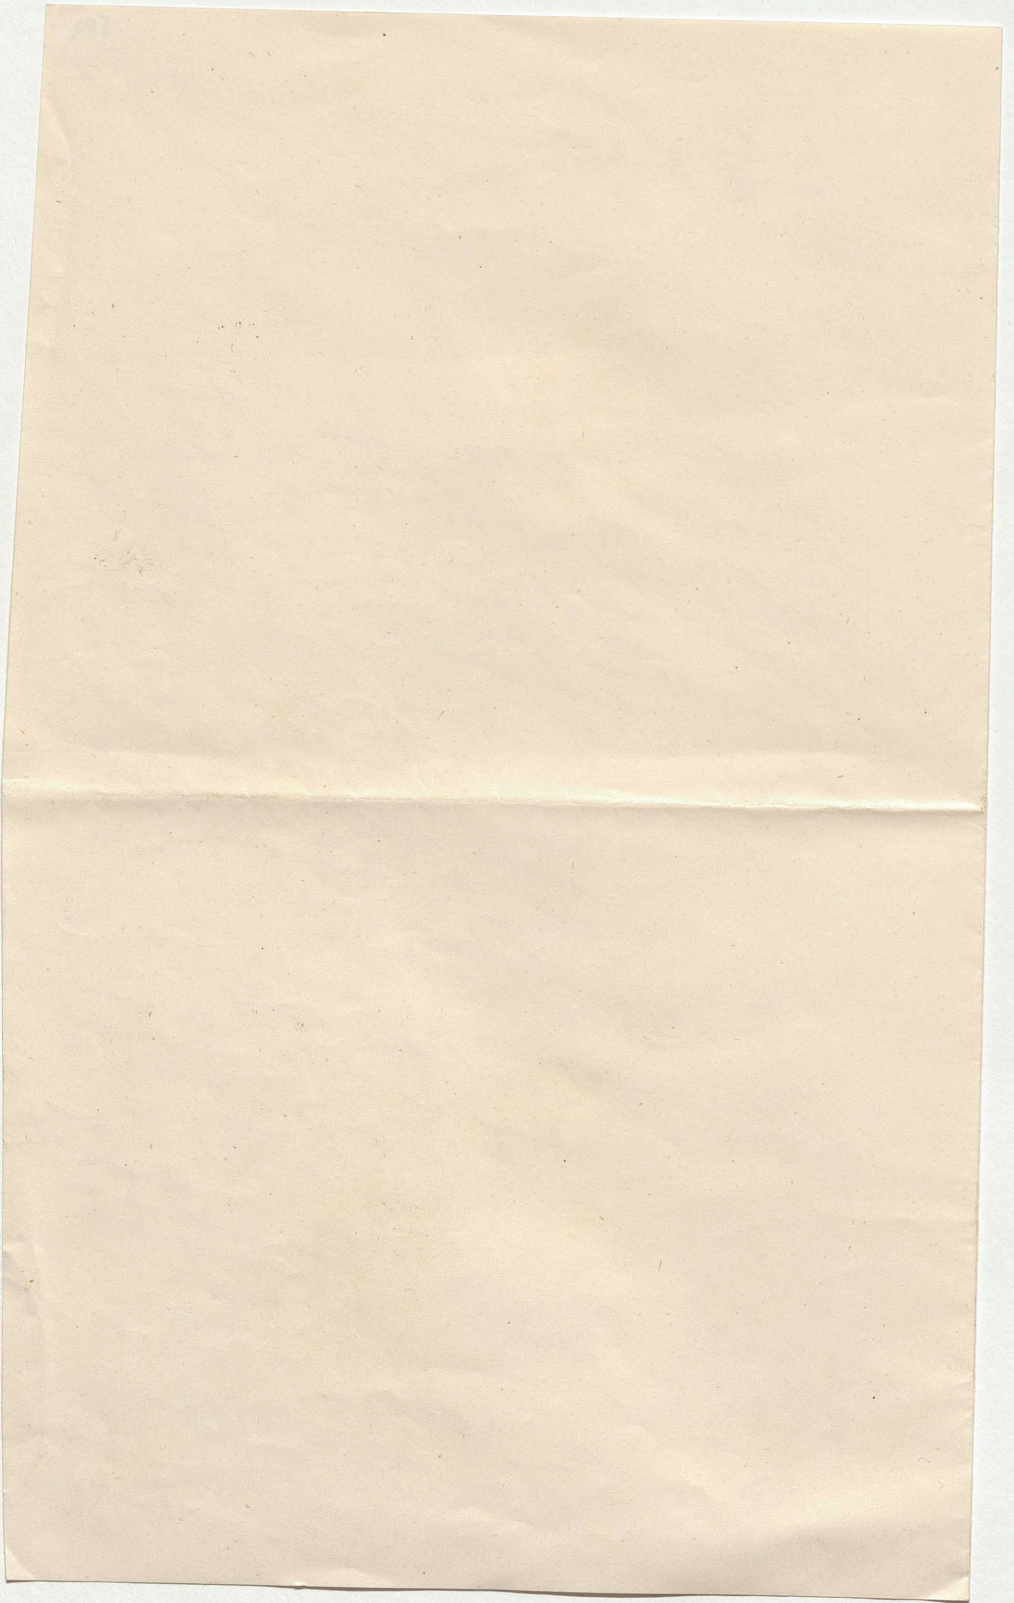

Wm. B. Brewster

I have the pleasure to inform you that  
 the specimens of the birds you have  
 sent me have been received and  
 are now in the hands of the  
 authorities for their examination.  
 I am sure they will be found  
 to be of great value to the  
 science of ornithology.  
 I am, Sir, very respectfully,  
 your obedient servant,  
 Wm. B. Brewster
