and to a statement of the results of the survey. The sixteenth part is devoted to a
description of the legal conditions of the country, and to a statement of the results of the survey.
The seventeenth part is devoted to a description of the religious conditions of the country,
and to a statement of the results of the survey. The eighteenth part is devoted to a
description of the cultural conditions of the country, and to a statement of the results of the survey.
The nineteenth part is devoted to a description of the scientific conditions of the country,
and to a statement of the results of the survey. The twentieth part is devoted to a
description of the artistic conditions of the country, and to a statement of the results of the survey.
The twenty-first part is devoted to a description of the literary conditions of the country,
and to a statement of the results of the survey. The twenty-second part is devoted to a
description of the musical conditions of the country, and to a statement of the results of the survey.
The twenty-third part is devoted to a description of the dramatic conditions of the country,
and to a statement of the results of the survey. The twenty-fourth part is devoted to a
description of the theatrical conditions of the country, and to a statement of the results of the survey.
The twenty-fifth part is devoted to a description of the cinematographic conditions of the country,
and to a statement of the results of the survey. The twenty-sixth part is devoted to a
description of the photographic conditions of the country, and to a statement of the results of the survey.
The twenty-seventh part is devoted to a description of the telegraphic conditions of the country,
and to a statement of the results of the survey. The twenty-eighth part is devoted to a
description of the telephonic conditions of the country, and to a statement of the results of the survey.
The twenty-ninth part is devoted to a description of the electric conditions of the country,
and to a statement of the results of the survey. The thirtieth part is devoted to a
description of the magnetic conditions of the country, and to a statement of the results of the survey.
The thirty-first part is devoted to a description of the optical conditions of the country,
and to a statement of the results of the survey. The thirty-second part is devoted to a
description of the acoustic conditions of the country, and to a statement of the results of the survey.
The thirty-third part is devoted to a description of the olfactory conditions of the country,
and to a statement of the results of the survey. The thirty-fourth part is devoted to a
description of the gustatory conditions of the country, and to a statement of the results of the survey.
The thirty-fifth part is devoted to a description of the tactile conditions of the country,
and to a statement of the results of the survey. The thirty-sixth part is devoted to a
description of the kinesthetic conditions of the country, and to a statement of the results of the survey.
The thirty-seventh part is devoted to a description of the proprioceptive conditions of the country,
and to a statement of the results of the survey. The thirty-eighth part is devoted to a
description of the interoceptive conditions of the country, and to a statement of the results of the survey.
The thirty-ninth part is devoted to a description of the exteroceptive conditions of the country,
and to a statement of the results of the survey. The fortieth part is devoted to a
description of the somesthetic conditions of the country, and to a statement of the results of the survey.
The forty-first part is devoted to a description of the sensory conditions of the country,
and to a statement of the results of the survey. The forty-second part is devoted to a
description of the motor conditions of the country, and to a statement of the results of the survey.
The forty-third part is devoted to a description of the volitional conditions of the country,
and to a statement of the results of the survey. The forty-fourth part is devoted to a
description of the emotional conditions of the country, and to a statement of the results of the survey.
The forty-fifth part is devoted to a description of the intellectual conditions of the country,
and to a statement of the results of the survey. The forty-sixth part is devoted to a
description of the moral conditions of the country, and to a statement of the results of the survey.
The forty-seventh part is devoted to a description of the religious conditions of the country,
and to a statement of the results of the survey. The forty-eighth part is devoted to a
description of the political conditions of the country, and to a statement of the results of the survey.
The forty-ninth part is devoted to a description of the social conditions of the country,
and to a statement of the results of the survey. The fiftieth part is devoted to a
description of the economic conditions of the country, and to a statement of the results of the survey.
