VOTUM TENERÆ JUVENTUTIS
PRO REGIA INCOLUMITATE

O D E.

E Cura tangit siqua Diespiter,
Eheu! inulti Sarmatidum soli!

Si Regna, Mortalesque Turmas,
Et fragilem miseraris Orbem.

Auram Juventæ da facilem Sator;
Ornasti &, apto Quem Diademmate,
Regnare Nostrum da Parentem,
Incolumem, Stablemque, Genti.

Nam Tu Trionum sydera & algidos
Compescis imbres, pilaque temperas
Mavortis, atque iram frementem
Quæ Patrios inimicat agros.

Cui Pectus inum Sanguine ter probo
Tinxit JAGELLO, Rex Pius imperet;
Longasquæ tandem, non inermi
Det Populo ferias Lecheo.

Ceu alta, campis quæ mediis nitet
Arbos, diurnis æstibus in via,
Tellure, vitales perennesque-
-E propria, repetat vigores

Nostrumque, cavis frondibus arduus
Tutetur agmen, non secus ac leves,
Ad grana quæ circum feruntur,
Persimiles nivibus palumbes.

Nos chara piis pondera Matribus,
Tantò, Triformis Rex Superum, bonò
Si forte longævus, beâris,
Centum hilares feriemus agnos,

Agnas &, æquo vellere splendidas;
Myrrhâ calentes ac totidem super
Ponemus aras; Te canora
Voce, Lyra, & Lituo sonantes

Ostro coruscum, des modo, Principem
Delectet Gentis pax, amor, & fides
Intacta, neu cernat Polonos
Exiguis equitare campis.
