LICIAM OCCIDENTALEM APPELLATIO-  
NUM TRIBUNALIS.

---

*Altissima dispositio intuitu assumendorum Advocatorum.*

---

Dum Sacratissima Cæsareo Regia Majestas sub  
30. Julii a. c. altissimam suam intentionem eo de-  
clarare dignata fuisset, ut in futurum nullus cœ-  
tui Advocatorum adscribi mereatur, cuius vere  
profunda Doctrina per rigorosissimum Tentamen  
non elucesceret, & qui suæ bonæ moralitatis soli-  
das probas non adferret, statuere una hunc in  
finem dignabatur, sequentes Regulas respectu ad-  
missionis ad Stallum advocandi observandas.

*Primo:* In Advocatorum cœtum nemo ad-  
sciscatur, neque in civitatibus, nec in municipiis  
& ruri, qui lauream Doctoratus in Universitate  
aliqua Provinciarum hæreditiarum consequutus  
non fuerit.

Se-

*Secundo* : Universitatibus dispositum est, ut  
in tentamine pro gradu omnis rigor adhibetur,  
& vel ideo nonnisi eminentibus ingenii laurea  
Doctoratus tribuatur.

*Tertio* : Gradu doctoratus gaudens, in  
quantum se muneri advocandi consecrare vult,  
tenetur penes Advocatum per tres annos in cau-  
sis judicariis praxim exercere, & ab illo con-  
scientiosum Testimonium de sua applicatione &  
probitate morum producere, secus fine exhiben-  
do tali Testimonio ab Appellationum Tribunal  
ad Tentamen pro stallo advocandi peragendum,  
non admittetur. Appellationum Tribunal vero  
omni cum exactitudine & rigore examen ad men-  
tem dispositionis in instructione generali ddt. 9.  
Septembris 1785 parte II. capite 10. contentæ af-  
sumet. In quantum itaque

*Quarto* Candidatus has conditiones rite ad-  
impleverit, etiam ei fas esto, partibus in Pro-  
vincia pro qua stallum advocandi obtinuit, & ab  
Appellationum Tribunal examinatus fuit, in om-  
nibus Instantiis judicariis patrocinari. Si tamen

*Quinto* successu temporis observaretur, quod  
Advocatus munere suo abutatur, causas aperte  
injustas defendat, dolos moliatur, protractiones  
justitiæ sibi permittat, aliasque actiones illicitas  
cum detimento partium & candidæ justitiæ ad-  
ministrationis ponat, aut eatenus manum præ-  
beat, assumta prævie ordinata investigatione &  
subsecuta probatione facti, a suo munere publico,  
quod summam probitatem requirit: sine ulteriori  
amovendus, de hocque rigore Candidatus, Ten-  
tamen præstiturus, monendus est. Ast vero

*Sexto* his Advocatis, qui se probe gerunt,  
& qui suæ zelosæ - diligentis, & in Justitia fundatæ  
de-

defensionis partium indubitata specimina dederunt, pro eorum solamine intimandum sit, illorum cum ad munus quodpiam publicum concurrerint, reflexionem habitum iri, & ideo generaliter circa Concursus pro munere Judicis, horum, qui per rigorosum Tentamen Doctoratus lauream consequi sunt, & per aliquot annos praxim judicrialm exercebant, reflexionem habendam, hanc autem regulam per Instantias judiciales circa praestandas eo obtutu propositiones observandam fore.
