DICENDA ANTE DIVINUM OFFICIUM.

Aperi, Domine, os meum ad benedicendum nomen sanctum tuum: munda quoque cor meum ab omnibus vanis perversis et alienis cogitationibus: intellectum illumina, affectum inflamma, ut digne, attente ac devote hoc officium recitare valeam, et exaudiri merear ante conspectum divinae majestatis tuae. Per Christum Dominum nostrum. *R/.* Amen.

Domine, in unione illius divinae intentionis qua ipse in terris laudes Deo persolvisti, has tibi Horas persolvo.

Orationem sequentem devote post Officium recitantibus Leo papa X defectus et culpas in eo persolvendo ex humana fragilitate contractas indulisit.

Sacrosanctae et individuae Trinitati, crucifixi Domini nostri Jesu Christi humanitati, beatissimae et gloriosissimae, semperque Virginis Mariae foecundae integritati et omnium sanctorum universitati sit sempiterna laus, honor, virtus et gloria ab omni creatura, nobisque remissio omnium peccatorum, per infinita saecula saeculorum. R/. Amen.

V/. Beata viscera Mariae Virginis, quae portaverunt aeterni Patris Filium.

R/. Et beata ubera, quae lactaverunt Christum Dominum.

Pater Noster. Ave, Maria.

Si in die S. Marc. post processionem, in Ecclesia minori seu non collegiata, cantetur unica Missa, ipsa debet esse de Rogationibus, et servanda est Rubrica Miss. Rom. posita ante missam festi S. Marci, ubi praescribitur quod de praedicto Sancto cantanda est missa tantummodo, quando processio terminatur ad Ecclesiam eidem Sancto dicatam, quemadmodum cavetur in caer. Episc. S. R. C. 23. Maii 1603. — In festo S. Marci, vel respective in feriis Rogationum, si fiat de offic. dx. vel sdx., in locis ubi tantum una missa cantatur, pro majori populi commoditate, ut possit post processionem vacare laboribus, convenientius est processionem facere post Nonam, et inde cantare missam Rogat. S. R. C. 5. Maii 1736. — In his decretis, ut attendenti patet, agitur tantum de missa, quae cantatur post processionem: unde dicendum videtur, quod si missa ante illam cantetur, cantari debeat de festo occurrente; quia in hoc supposito est

*missa conventualis seu parochialis, et non Rogationum. Si tamen festum com-
pateretur missas votivas, videtur esse
liberum cantare missam Rogationum. Si
autem cantetur post processionem, quod,
quantum fieri potest, ut supra insinua-
tur practicandum, missa erit cantanda
de Rogationibus, cum commemoratione
festi currentis. Ita Romsée Tom. III.
pag. 215. —*

*Occurrente festo S. Marci die dominico,
in Missa Rogationum non dicitur Credo,
quia est missa ferialis. S. R. C. 25.
Sept. 1688.*

D. *Non decet, ut Sacerdos habitu Sacer-
dotali indutus, qualis est stola, assistat
alteri Sacerdoti.*

1. The first part of the book is devoted to a general introduction to the subject of the history of the United States. It covers the period from the discovery of the continent to the present time. The author discusses the various theories of the origin of the American people, and the different stages of their development. He also touches upon the political and social conditions of the early colonies, and the process of their union into a single nation.

2. The second part of the book is a detailed account of the American Revolution. It begins with the first steps towards independence, and follows the course of the war from its outbreak to the final victory at Yorktown. The author describes the military and political events of this period, and the role of the various leaders of the revolution. He also discusses the impact of the revolution on the American people, and the establishment of the new government.

3. The third part of the book is a history of the United States from the end of the Revolution to the present time. It covers the period of the early republic, the expansion of the territory, the Civil War, and the Reconstruction period. The author discusses the political and social changes of this period, and the role of the various presidents and leaders of the nation. He also touches upon the economic development of the United States, and the rise of the industrial revolution.

4. The fourth part of the book is a history of the United States from the end of the Reconstruction period to the present time. It covers the period of the Gilded Age, the Progressive Era, and the modern era. The author discusses the political and social changes of this period, and the role of the various presidents and leaders of the nation. He also touches upon the economic development of the United States, and the rise of the modern industrial and technological revolution.

5. The fifth part of the book is a history of the United States from the end of the modern era to the present time. It covers the period of the New Deal, the Cold War, and the modern era. The author discusses the political and social changes of this period, and the role of the various presidents and leaders of the nation. He also touches upon the economic development of the United States, and the rise of the modern industrial and technological revolution.
