**London, 14. März.** [Hofenbericht von Langstaff Ehrenberg u. Pollat.] Der Markt ist flau mit nur sehr wenig Geschäft zu den reduzierten Preisen. Viele Eigner haben seit dem Rückgang der Preise ausverkauft, aber manche sind noch bemüht, Käufer zu finden und dies läßt keine Aussicht auf eine Besserung zu. Kontinental-Hofen sind gänzlich vernachlässigt. Kalifornische verkaufen sich nicht so gut wie früher, da die Qualität sehr nachgelassen hat. Das feine Wetter begünstigt die Arbeiten in den Gärten, die durch den vielen Regen aufgehalten wurden. Der Import in der Woche, die am 11. d. M. endete, betrug in 1892 1027 Str., 1893 897 Str.
