Tag Match

One of the night's top attractions will be an Australian Tag Match involving a quartet of the finest exponents of the groan and grunt game.

Budget Blues

NEW YORK (UPI) — If you think you've had to raise your budget to allow for rising costs take a look at the federal budget. In the late 1940's, under President Truman, it appeared that postwar spending would hold around \$40 billion. President estimates suggest that federal spending will go into the range of \$92 billion to \$94 billion for this fiscal year.
