Today's Sportrait

By GENE MEAKINS (United Press International)

Fort Collins, Colo. (UPI)—He probably could have fulfilled a childhood desire to become an Olympic hurdler champion. Instead, Jerry Tarr cast his lot for football, a sport in which he has not yet excelled.

The 22-year-old Bakersfield, Calif., native, fresh off the Oregon University campus, is the fastest hurdler in the United States, and undoubtedly in the world. But he will never compete in the Olympic games.

"When I was a senior in high school, I found out I was a good hurdler," said the burr-haired Tarr as he sprawled his six-foot, one-inch frame over a chair at the Denver Broncos football training camp here.

Earlier in the summer, Tarr won the 110-meter hurdles in a dual meet between the United States and Poland at Chicago. Last spring, he led Oregon to the NCAA Track and Field championship with a 13.3 second victory in the 120-yard high hurdles and a 50.3 triumph in the 400-yard intermediate hurdles.

Camilli Drove In Four Runs With a Homer, Single And S. F.

Maury Wills Stole Two Bases To Run His Season Total 62

The Los Angeles Dodgers combined the flying feet of Maury Wills with Doug Camilli's potent bat Thursday night to score a 7-3 victory over the Pittsburgh Pirates and end a five-game losing streak.

Combined with San Francisco's loss to the Chicago Cubs, the victory stretched the Dodgers National League lead to 2 1/2 games. Pittsburgh, aiming for a sweep of the three-game series, jumped on Stan Williams for three runs in the first inning, thanks to a gift double.

But the Dodgers got two runs back in the third when Wills and Junior Gilliam singled, then worked a double steal. Willie Davis scored them both with a single to left.

Huge Questionmark Hangs Over LA Dodgers And Frisco Giants

Due To Staggering Blows To Their Penant Hopes

It was a devil of a night for city of the Angels—a night on which both Los Angeles teams suffered staggering blows to their pennant hopes.

Can they bounce back? Has the panic set in? Was it all a fanciful Hollywood dream anyway? Who knows? But it's obvious today that a huge questionmark hangs over both the Dodgers and the Angels.

Especially the Dodgers. They had a 5 1/2-game lead in the National League only last Friday. Now they've lost four straight and it's down to a mere game and a half over the San Francisco Giants.

The Pittsburgh Pirates extended the Dodgers' losing streak to four games with a 2-1 triumph hlfashioned on the nine-hit pitching of Al McBean. Doubles by Don Cledonon in the first inning and Dick Groat in the third drove in all the runs the Pirates needed to hand Johnny Podres his ninth loss of the season.

GIANTS WALLOPED CUBS

The Giants, meanwhile, walloped the Chicago Cubs, 9-2, to extend their winning streak to five games. Jack Sanford pitched an eight-hitter for his 16th win.

THE YELLOW TRAFFIC LIGHT The purpose of the yellow signal often seems to be misunderstood. This traffic control device is of two types... steady yellow and flashing yellow. Each has an important message for the approaching driver.

The flashing yellow light is used as a caution signal at intersections when it is not considered necessary to bring vehicles to a complete stop in all four directions. Its purpose is to slow down traffic on the main highway, and it is used in combination with steady red or flashing red lights facing the other roads entering the intersection.
