Only the Olympics appear on their way to an unbeaten season, with Hansa behind. Both teams have bolstered their rosters for the Olympics paying a high price for their victories. Walloping the Norwegian-Americans 7 to 1 last Sunday was comparatively easy, as a matter of fact controlling the Norsmen was easier than controlling themselves.

The Olympics, acutely aware of severe repercussions which would befall them in the event of another outbreak of violence, are playing the best soccer seen hereabouts in many years. One would venture to say that they could, and probably would, defeat both professional teams, the Spurs and Mustangs.

TV CAMEOS: Roger Carmel Comics and Crooks—Roger Plays 'Em All

By MEL HEIMER
A SHOW-BUSINESS friend of Roger Carmel's dropped by the set of "The Mothers-in-Law" the other day, clapped the mustachioed actor on the back and congratulated him on some of the sinister villains — psychotic killers, loan sharks, etc. — he has played on TV. Deal Arnez, who's producing the new show for Sunday nights on NBC this fall, looked indignant.

IT WAS after he'd done a half-dozen villains on the old video show, "Naked City," that he finally could support himself by acting, "which was when I felt I was an actor. Until you can pay the rent by performing, you never feel entitled to call yourself one."

HE DIDN'T fall into acting sooner, however, just like that. In the now-forgotten show biz cliché, Roger paid his dues. He did some acting at Brown, then did stock in the northeast, including playing Chicago's mayor in Pat O'Brien's package of "Front-Back" classic, "The Front Page," and finally got Distributed by King Features Syndicate

small job on Broadway in 1955, a bit role in a revival of "The Petrified Forest" with Jason Robards.

Now, of course, he is one of the most familiar figures in television, although still plagued by viewers' comments such as "Oh, you know that guy with the mustache. What IS his name?" He's got eight movies under his belt, endless TV shows, he did Cardinal Wolsey in "A Man for All Seasons" on Broadway and he even played in the Tommy Steele musical, "Half a Sixpence." Brooklyn is far behind Roger. The son of a Flatbush physician, he now lives in California and even has 21 acres of orange trees.

"FROM here on? Well, I'd just like to become a really fine actor and even try the great roles," he says. "Even King Lear — although I'll probably save that for a while, like the frosting on the cake. And I'd like to direct — I trail Desi around, trying to find out all the behind-the-camera tricks — and, don't laugh now... I still want to write. I know now that I'm a good actor — so I might even settle for being a bad writer."

Sport Parade Z Bocznej Trybuny Sportowej

New York. (UPI) — Mayo Smith had that funny look in his eyes. The same one that makes them ask a fighter what day it is and what city it is in.

It may have only been the end of the Detroit Tigers Monday night when the New York Yankees beat them, 2-0, but from the lifeless manner in which Smith slumped in his chair it looked a lot more like the end of the world.

WE'VE got five remaining games and we've gotta win at least five of 'em. The whole shootin' match. We can do it. If we win tomorrow night, then we go home. And we play real good at home.

RZADKO SIE zdarzalo w historii tpejszej National Soccer League, aby na kazdym meczu zdobywano maksymalna ilosc bramek. Bylismy swiadkami takze i ubiegiej niedzieli, ze zdobyto wieksza ilosc bramek przez zespolo pragnace odsunac sie od strefy zagrozonej, wiecej w konsekwencji w tabeli ligi powinny zajsc zmiany. Jednak od tego nie doszlo, a jedynie zespolo skomasowalo sie w jednej gromadzie.

CIEKAWA JEST tylko, ze zespolo, ktore staly na straconej pozycji, zdolaly pokonac swych przeciwnikow, a jedynie mecz Olympics - Nor. - Amer. zakonczy sie zgodnie z przewidywaniami i zespol grecki pokonal Norwegow 7:1. Nie mogliśmy poznac zespol norweski w niedzielnym meczu przeciwko Olympics, gdyż ubiegłej niedzieli w meczu przeciwko Eagles zagrani bardzo ostro i z werwa, no i spodziewano się, że dadzą z siebie więcej niż to widzieliśmy w niedzieli.

DRUGI MECZ na boisku Winiemac oglądaliśmy pomiędzy zespołem Eagles i Hansą. Zespol polski nie wytrzymał naporu następników Hansy w pierwszej części meczu i dlatego zespol niemiecki zdobył prowadzenie 4:0. Hansa po słabo rozegranym tygodniu temu meczu ze Schwaben, w niedzielnym meczu przeciwko Eagles przeszła sama siebie w pierwszej części meczu. Nadawała ton grze szybkimi zagraniami, niebezpiecznie atakowała bramkę Klokowskiego, a kiedy tej samej sztuki próbował zespol polski, umiejetnie wytrząsał go z uderzenia. Niemcy ekonomicznie rozkładali siły, zwalniali momentami gre, mieszając Eaglesiakiom plany.

W Innych Meczach Zespoły Wisły przegrały od lidera grupy zespołu Inca 1:3. Inca to zespol grający tak szybko, że samym tempem może "rozłożyć" przeciwnika. Wisła stawiała jednak dzinyzmy odpor. Nawet prowadzila przed przerwą 1:0, ze strzalu niezawodnego J. Guzika, z zagrania Górnicki, Golas i J. Guzik. W bramce Wisły wspaniale bronil J. Jatowit. Obrona kierowal do swiadczony R. Zarzeczy. Na pomocy grał z poświęceniem S. Ziemba. Na skrzydle udanie debutowal szybki J. Golas. Ze Wisły nie przegrano w meczu. W meczu Wisły wspaniale bronil J. Jatowit. Obrona kierowal do swiadczony R.
