Andrzej Szajna who will perform for his team in their match with the United States on Sunday, Feb. 17.

The men's gymnastic teams of the United States and Poland will compete in an inter-national team match at Willowbrook High School in Mikołaj Park on Sunday, February 17 at 3:00 p.m. The meet, sponsored by the U.S. Gymnastics Federation, the Mid-America Gymnastic Judges Association, and the Illinois High School Coaches Association, will be the touring Polish National team's official international match with the United States.

Five Olympic performers from the Polish team which placed fourth in Munich, and only two points behind Russia in optionals, will compete. Poland's top gymnast is Mikołaj Kubica, who won his fifth Polish national title in 1973. A veteran of three Olympics, Mikołaj currently ranks sixth in Europe. Polish national champion and a participant in two Olympics, is rated one of the world's top performers on pommel horse. Andrzej Szajna, the 1972 Polish national champion, recently placed second in vaulting at the European Championships.

Poland's other two Olympic veterans are Mieczysław Strzalka and J. Kruga. Also on the team are Marian Preczka and Waldemar Marek. The United States will counter with a less experienced team, led

by Olympic performers John Crosby and Marshall Avener. Crosby was the leading medal winner at the 1971 Pan American Games and captured 13 NCAA titles, including five at the 1973 NCAA College Division Championships. Avener, the top ranked U.S. gymnast, won the 1973 NCAA All-Around title. Both competed at the 1973 World University Games in Moscow. Two Chicago area gymnasts will compete - Gary Morava, the 1970 Illinois High School All-Around champion from Hershey High School, and Chuck Wanner, the 1972 Illinois Parallel bar champion from Steinmetz High School. Morava, who competes for Southern Illinois University is a veteran in international competition, including the World University Games. Wanner, a three-time All-American in 1973 as a freshman at the University of Illinois at Chicago Circle, competed in the U.S. Hungarian meet last year. Completing the U.S. team are Jim Stephenson and Brent Simons, formerly of Iowa State, and Jim Ivacek, currently redshuted at SIU. Coaching the U.S. team is Bill Roetzheim, Wanner's coach at Chicago Circle. Roetzheim competed in the 1948 and 1952 Olympic Games, won two gold medals at the 1951 Pan American Games, and performed on the U.S. Gymnastic teams of 1947 and 1950. He has been on tours of the Middle East as head coach of the U.S. Gymnastic team, co-coached the U.S. team which competed in the World Games in 1970, and coached the team which beat the Hungarian national team last year. Tickets for the U.S. - Polish meet are available through any suburban high school gymnastic coach, the athletic department at Chicago Circle, and the Polish American Federation at Milwaukee and Augusta. General admission is \$3.00.
