Epitaphium rudi et clarissimi viri D:
Joanni Leopoldi ^{theologiae doctoris} ^{canonici} ^{Floriani concionato} ^{et} ^{iracis piep.}
anno domini 1872 mortui ætatis 45

Eloquioque potens vigilans! et pastor ovilis,
nam docuit aures, iura sacra, dei,
moribus, ac vita, cursu suavissimus, omni;
gratos erat populo, principibusque viris.
Hæreticam pestem dum fortibus apprimis armis,
In medio cursu morte peremptus obit.
Vivat in arce poli, divorum lumine sacro,
Inter convivas, angelicosque choros.
