MAGDEBVRGI

253
Andreas Geben excudebat. Anno M. D. LXXXI.

ILLVSTRISSIMIS DOMI-
NIS ET PRINCIPIBUS, DOMINO ERNESTO,
CHRISTIANO, AVGVSTO, FRIDERICO ET MA-
GNO, illustrissimi Principis & Domini, Domini GVIL-
HELMI Ducis Brunsvicensis & Lunæburgen-
sis filii, Dominis suis clemen-
tissimis.

 Onstat Illustrissimi Domini Principes, non è sacris tantum literis, sed ex prophanis quoq; historiis, atq; ipsa adeo experientia, quod Musica singulare DEI donum est, quo ipsius omnipotentia & laudes decantantur, animi hominum mulcentur, tristitia pellitur, multaq; bona & salutaria inter homines præstantur. Ita enim legimus in sacris literis, quod Regius Propheta David, Psalms scribere & harmonicis modulis applicare, & decantare non erubuit. Atq; idem ante ipsum fecerunt Moyses, Aaron, & duces populi Israel. Cum Saul à spiritu nequam agitabatur (ut scriptura loquitur) quæritur Cytharædus David, & ad harmonicos modulos cessat tentatio & furor, & melancholia cedit. Quoties regius ille Psalter ait: Lauda anima mea DOMINVM. Ecce nunc benedicite Domino omnes servi Domini. Item: Laudate eum in sono tubæ, laudate eum in psalterio & cythara, laudate eum in tympano & choro, in chordis & organo, in symbalis bene sonanti-

Biblioth. Regia
Berolinensi.

bus, in cymbalis jubilationis. Et quomodo possunt omnia decenter & ordine fieri in Ecclesia, quod Paulus præcipit, si non adsit Musica? Cui non noti sunt hymni novi Testamenti, quos à Maria virgine, à Zacharia sacerdote, & à justo ac pio illo sene Simeone gratiarum actionis loco ad aures DEI effusos & decantatos habemus, ut interim taceam Responsoria, Introitus, Profas, quæ Choralis, quem dicimus, cantu, affectum & pietatem in canentium & auditorum cordibus mirè movent. Quin & summam eruditionem & animorum institutionem in nervorum vocumq; cantibus sitam esse, à Græcis semper ferè creditum est. Inde est quod scribunt Epaminundam Græciæ principem præstantissime fidibus cecinisse. Cum recusasset lyram indoctior est habitus doctissimus Themistocles. Memoria quoq; dignum est quod Ptolomæus ait: Musica velut artium præstantissima divinis se inseruit rebus, & numinibus placandis adhibetur. Pythagoras philosophus & qui deinceps ea studia consecrati sunt, mundum ipsum non citra Musicas rationes concinnatum, coaptatumq;, argumentorum subtilitate colligere sunt visi. Arcades præ multis aliis populis ab assiduo Musicæ studio commendantur, quod ita receptum moribus apud eos erat, ut non pueros modo, verum etiam adolescentes ac juvenes ad trigésimum usq; ætatis annum ea disciplina imbuendos curarent, cum alioqui difficilis atq; austeræ vitæ homines essent. Cæteras artes ignorasse apud eos, tanta non erat ignominia, quàm Musicæ imperitiam fateri, nec id lasciviæ vel deliciarum causa, sed ut labores assiduos in colendis agris, & vitæ præterea duriciem atq; asperitatem hac quasi dulcedine emollirent ac contemperarent. Atq; inde videmus, cur Vates Mantuanus in Bucolicis Arcades pluri-

plurimis laudibus efferat. Inquit enim: Soli cantare periti Arcades. Et rursus y Arcades ambo, Et cantare pares & respondere parati. Hæc & plura quidem in Musicæ laudem & Encomion afferri in medium possent, si mihi cum iis agendum hominibus esset, qui Musicam ut levitatis ministram, & bonis moribus adversantem calumniantur & contemnunt. Vobis verò Illustrissimi Domini Principes, suaves cantilenas perplacere, iisq; exercitiis Cels. V. delectari, nullum est mihi dubium, cumq; propensissimus Cel: vestrarum favor erga illos, qui cum bonarum artium, tum Musicæ, sine qua reliquæ veluti semimortuæ esse videntur, studia diligenter atq; aliqua cum foelicitate excoluerunt, abunde pateat & manifestus sit. Ego itaq; etsi tenuitatem meam agnosco, & cum non par sim illis artificibus, qui sublime tuentur, tamen audent volui dedicatione harum cantionum ad Cels: vest: appellere, atq; iis observantiæ & subjectionis erga C: V: meæ argumentum aliquod proferre, atq; in bona spe sum, studium meum, qualecunq; illud est, ingenuum sane & ad gloriam DEI directum, à C. V. non tantum non improbatum, sed clementi animo, liberaliq; favore susceptum iri. Quod si impetravero, addetur mihi calcar & incitamentum, ut per DEI gratiam in posterum quoq; suaves harmonias, gloriæ divini nominis & Ecclesiæ ornamento inservientes effingere coner. Vero gemitu & ardenti pectore oro DEI & Mariæ virginis filium, qui passus & mortuus est propter peccata nostra, & resurrexit propter justificationem nostri, ut Illust: Cels: V. pietatem & studia, de quibus toti patriæ spes exoptatissima affulget, sua gratia clementissimè dirigere atq; secundare, nec non C. V. Illustrissimos parentes, ipsorum vitam, totam deniq; familiam

liam vestram, in tantis imperiorum ruinis, Rerumpub. confusionibus, & hac ultima
& decrepita collabescens mundi senecta, propter divini nominis sui gloriam, Eccle-
siae scholarumq; utilitatem atq; subditorum totius patriae nostrae salutem & incolumi-
tatem larga & ubere benedictione sua beare, protegere, regere & conservare velit.
Datae Hannoverae die Michaelis Archangeli, Anno salvatoris 1581.

V. C

Observantissimus

Andreas Crappius Lunaburgensis.

REM HANNOVERENSEM.

M. HENRICVS GARBERVS.

Vsica concinno longè dulcissima cantu
Vniusest sancti munus opusq; DEI.
Quam nil qui metuit mordaci rodere lingua
Hunc ego nil sanæ mentis habere puto.
Rectè igitur Crappi divinam amplecteris artem
Iungis & ad numeros verba decora tuos.
Namq; benè atq; piè cantas : nil quæritur ultra,
Et sedet in labiis Musa, Charisq; tuis.
Sicq; tuo coeli penetras modulamine nubes
Flectis & æterni mitia corda DEI.
Credè mihi, benè dum cantas & dum pia cantas,
Pectora magnorum flectis & alma Ducum.
Perge bone o Crappi, facilem tibi namq; supremum
Esse DEVM, & faciles experiere Duces.

M. DANI.

M. DANIELIS HELVIGII STETI-
NENSIS ELEGIA AD ANDREAM
Crappium Musicum.

Inclita divinas celebrabat Musica laudes,
Inclita divinum Musa canebat opus.
Suavibus illa sonis languentia pectora tollit:
Dulcibus hæc numeris languida corda movet.

Obstupuit Lanus: Felicia tempora dixit,
Quæ signum tantæ nobilitatis habent.
Ecquis amat Musas? ecquis tua curat Apollo
Commoda synceris æquiparanda bonis?
Præclara egregiis doctrina est laudibus apta.
Flos mundi, aucta suis Gloria divitiis.
Nobilius doctrina bonum, præstantius ecquod
Ætherii videat Solis utramq; domum?
Nil sine doctrina est immensa potentia mundi:
Huic subito casum quæ venit hora feret.
In sua fata ruunt sensim omnia. Mobilis aura
Vita est. Sors dubias versat acerba vices.
Vidi ego mane rosas nasci cum lumine solis
Atq; rosas vidi sole cadente mori.

Vna

Vna mori nescit virtus, vivitq; sepulta,
Vivit perpetuos illabefacta dies.
Grata DEO virtus semen diffundat, ut olim
Illa novis surgat nobilis herba comis.
Adjuvet hoc summus Flammantis Rector olympi
Et faveat nitida pax redimita toga.
Felix illa dies, lux ter felicior illa,
Qua multus lato germine vernat ager.
Delphica cur cingit vatum sacra tempora Laurus?
Perpetuas laudes vera poësis habet.
Quis nescit dulces quod fingat Musica voces?
Quis nescit suaves quod canat illa modos?
Musica grata DEO est. Hominum divina ministra est.
Perpetuas laudes Musica dulcis habet.
Egregiis Crappi dum Musas vocibus effers,
Saxonix Musis annumeranda tua est.
Perge acris servire DEO, servire salutem,
Nobilis ingenio nobilis arte vir es.
Hoc Flos ille virum, celeberrimus ille Melanthon,
Si quid habet sensus umbra diserta, probat.
Gloria salva diu crescat crescentibus annis,
Cingat honoratas laurea digna comas.
